STAR PARTY

**STARTS AT
7:30 P.M.**

Join us to celebrate

The White House Astronomy Night

- Catch shooting stars from the Orionids meteor shower.
- Watch Saturn.
- Explore our massive neighbor galaxy Andromeda.
- Examine the bright stars of the summer triangle.
- View the h and chi double star cluster.
- Find the north pole using Polaris.
- Observe the apparent binary star in the Little Dipper.
- Measure the surface temperature of stars.
- Look out for more nebulae, clusters, and binaries.

AT THE QUAD IN FRONT OF THE ALVIN SHERMAN LIBRARY

MONDAY, OCTOBER 19 2015

For more information contact: Isabel Olivera – io65@nova.edu

Please be aware that the event could be canceled due to weather
